

<b>Job Title</b>	Reporter
<b>Reporting Relationship</b>	Will report directly to the New York Bureau Chief, and work closely with the US Asphalt Editor, US Freight Editor and the Marine Fuels Editor
<b>Location</b>	New York

### **Job Purpose**

Argus is seeking a reporter for an entry-level position in its New York bureau. The reporter will contribute to coverage of the marine fuel, freight, and asphalt markets. He or she will gain valuable insights into financial journalism and global commodity markets. Specific duties may include: interacting with commodity traders to establish the price of a commodity; writing brief news stories on developments in asphalt, freight, and marine fuel markets; analysis of commodity markets; surveying traders on their use of rail as a means of transporting commodities; production work, including uploading of data and news; updating databases and spreadsheets pertaining to physical commodity movements or infrastructure build-outs.

### **Skills and Experience**

- Excellent math skills
- Excellent writing and reporting skills
- Ability to think analytically
- Ability to handle multiple tasks on a tight daily deadline
- Proven interest in energy or freight markets a plus

### **Education**

- College degree required. Advanced degree a plus

### **About Argus Media**

Argus is an independent media organisation with over 500 full-time staff. It is headquartered in London and has news bureaus in each of the world's principal energy centres. Its main activities comprise publishing market reports containing price assessments, market commentary and news, and business intelligence reports that analyse market and industry trends. More than half of Argus' staff are commodity journalists who specialise in reporting news and price information relating to physical energy and related commodity markets. They operate according to a rigorous Editorial Code of Conduct and an Ethics Policy that align with best journalistic practice, including the avoidance of conflicts of interest. Argus has 19 offices globally, including London, Houston, Washington, New York, Calgary, Rio de Janeiro, Singapore, Dubai, Beijing, Tokyo, Sydney, Moscow, Astana and other key centres of the energy industry. Argus was founded in 1970 and is a privately held UK-registered company

### **Benefits**

- Competitive salary
- Medical, dental, vision, life, LTD
- 401(k) match and gym allowance
- Equal Employment Opportunity / Affirmative Action Employer.
